- All of the actions complained of occurred in Carter County, Oklahoma,
 and venue is proper in the District Court of Carter County, Oklahoma.

CAUSES OF ACTION

- 7. In May of 2013 Plaintiff was hired to work for My Dentist as a dental assistant at the newly opened office in Ardmore, Oklahoma, and she was scheduled to begin work on the 20th of May 2013.
 - 8. Plaintiff had previous experience working as a dental assistant in past jobs.
- 9. On or around the 17th of May 2013, Plaintiff received a phone call stating the dentist she would be assigned to at this location did not complete all of his licensing requirements.
- 10. For the foregoing reason Plaintiff did not begin working for Defendant until July 2013.
- 11. Plaintiff was terminated from her employment on or around the 4th day of February 2014.

- 12. During the course of her employment other employees had trouble communicating with Plaintiff because of her accent, and would misinterpret her pronunciations as being rude or hostile because of the delivery.
- 13. Plaintiff was born in Poland, and she immigrated to Germany at an early age.
- 14. After considerable time in Germany, Plaintiff moved to the United States, and she became a lawful permanent resident.
 - 15. English is Plaintiff's third language behind Polish and German.
- 16. Plaintiff was wrote up during her employment for being considered rude to clients and co-workers because of her accent.
- 17. During one occasion in which Plaintiff was criticized for her accent was when a receptionist placed a scalpel without removing the blade into the autoclave, and Plaintiff discovered the blade.
- 18. This is an improper technique that can cause injury if not removed, and Plaintiff had previously been injured by cutting her finger on equipment inside the basket in which she had to receive treatment at the hospital to make sure there were no infections.
- 19. Plaintiff approached the receptionist who was not trained in equipment sterilization, and told her it was improper to not remove the scalpel blade.
- 20. Shortly after Plaintiff spoke with the receptionist, she was approached by an office manager who criticized Plaintiff about speaking rudely to the receptionist.
- 21. Plaintiff felt isolated and left out during her time working for Defendant and feel that this is attributed to her having a different national origin.

- 22. Plaintiff was ultimately terminated for the purported reason of being rude due to her tone.
- 23. The practices complained of above were intentional and designed to deprive Plaintiff of equal employment opportunities and otherwise adversely affect her status as an employee and were in violation of Title VII of the Civil Rights Act of 1964, as amended.
- 24. The unlawful employment practices complained of above were committed with malice and reckless indifference to Plaintiff's protected rights.
- 25. In addition to Plaintiff's claims of discrimination in violation of Title VII of the Civil Rights Act of 1964, as amended, Plaintiff brings the claims of discrimination under the Age Discrimination in Employment Act of 1967 (ADEA).
 - 26. Plaintiff was older than the younger staff at My Dentist.
- 27. Plaintiff was teased by younger workers that she was "old enough to be my mom," and references were made to her age during the course of her employment.
- 28. Plaintiff felt that she was treated like an outsider, and she was forced to work without breaks to avoid incurring overtime.
- 29. Towards the end of Plaintiff's employment her hours were cut to thirty (30) hours per week, and she was told that there were not enough hours for forty (40) hour work week.
- 30. At this same time period, Defendant hired a younger dental assistant who was receiving Plaintiff's hours.
- 31. When Plaintiff was terminated, her full-time hours were giving to this younger dental assistant.

- 32. This employment practice complained of above is in violation of the Age Discrimination in Employment Act (ADEA) and to the companion state law claims under the Oklahoma Anti-Discrimination Act.
- 33. In addition to violations of Title VII and the ADEA, Plaintiff brings the claim of discrimination under the Americans with Disabilities Act (ADA), as amended for being denied a reasonable accommodation.
- 34. Plaintiff has high blood pressure, and the office was aware of her condition.
- 35. To properly regulate her blood pressure, Plaintiff required the use of medication which would need to be taking with food.
- 36. Plaintiff was forced to work through her breaks due to the constraints of her job.
- 37. Plaintiff requested that she be allowed to keep a bottle of water and a snack near her in a cabinet so she could take a break in between patients.
- 38. Plaintiff was denied this reasonable requests and no interactive process occurred.
- 39. The foregoing was a violation of the Americans with Disabilities Act as amended and the companion state law claim under the Oklahoma Anti-Discrimination Act.
- 40. Lastly, Plaintiff brings a claim of wrongful discharge under Oklahoma Common Law.
- 41. Oklahoma recognizes a tort claim for wrongful discharge where an employee is discharged "for refusing to violate an established and well-defined public

policy" or for "performing an act consistent with a clear and compelling public policy," under <u>Burk v. K-Mart Corp.</u>, 770 P.2d 24 (Okla. 1989).

- 42. Burk tort is an exception to the common law at-will employment doctrine.
- 43. Plaintiff was instructed by the office manager to code all extractions as surgical extractions for Medicaid.
- 44. Plaintiff complained that that was improper to code normal extraction as a surgical extraction, and she told the manager that it was improper.
- 45. Plaintiff brought the attention of this practice to the Dentist who agreed that Plaintiff was correct.
 - 46. Plaintiff feels that she was retaliated against for bringing this to light.
- 47. Not wanting to engage in any type of fraud and bringing this to light, and ultimately being terminated for speaking up against this practice is a violation of established public policy.
- 48. As a result of the discharge of Plaintiff, Plaintiff has been caused embarrassment, humiliation, mental pain and anguish and lost wages.
- 49. Plaintiff filed a "Charge" of discrimination with the Equal Employment Opportunities Commission (EEOC) charge number 564-2014-00604 on the 2nd day of May, 2014 as attached hereto as (Appendix-1).
- 50. A Notice of Suit Rights was issued by the EEOC on the 13th of May, 2014 and Plaintiff received the Notice on or around the 15th of May 2014. A copy of the notice is attached hereto as (Appendix-2) and incorporated herein by this reference.

WHEREFORE, Plaintiff respectfully requests that this Court:

a. Grant a permanent injunction enjoining Defendant, their officers, successors, assigns, and all persons in active concert of participation with

- them, from engaging in employment practices which discriminate on the basis of age and disability.
- b. Order Defendant to institute and carry out policies, practices, and programs which provide equal employment opportunities for Sylvia Tanner and other employees and which eradicate the effects of their past and present unlawful employment practices.
- c. Order Defendant to make whole Sylvia Tanner by providing appropriate back pay with prejudgment interest, in amounts to be proved at trial and other affirmative relief necessary to eradicate the effects of Defendants' unlawful employment practices, including but not limited to rightful-placement reinstatement or front pay in lieu of placement.
- d. Order Defendant to make whole Sylvia Tanner by providing compensation for past and future pecuniary and non-pecuniary loses resulting from the unlawful employment practices described above, including, but not limited to emotional pain, suffering, anxiety, loss of enjoyment of life, humiliation, and inconvenience, in amounts to be determined at trial.
- e. Order Defendant to pay Sylvia Tanner punitive damages for their malice or reckless indifference to her protected rights described above, in amounts to be determined at trial.
- f. Grant such further relief as the court deems just and proper through law or equity.
- g. Award Plaintiff her costs and attorney fees in this action.

Respectfully submitted,
